Dear **[Name]**,

On behalf of my team, **[team name]**, I would like to thank you for your generous donation of \$_____. Your contribution makes it possible for us to [state purpose].

Since its inception in February 2005, Autism Speaks has been dedicated to funding global biomedical research into the causes, prevention, treatments, and cure for autism; to raising public awareness about autism and its effects on individuals, families, and society; and to bringing hope to all who deal with the hardships of this disorder.

This is only possible because of thoughtful contributions from people like you. As you may know, the cost of funding research and helping to connect families with the resources and services they desperately need does not go away. We hope for your continued support in the future.

Once again thank you for your generous donation.

Sincerely,
